## GO DOWN HARD by CRAIG FAUSTUS BUCK

The wildly inventive, hard-boiled story of an ex-cop-turned-tabloid reporter who investigates the unsolved, 20-year-old murder of a legendary rock-n-roll Goddess...bringing the cold case to a fast boil.

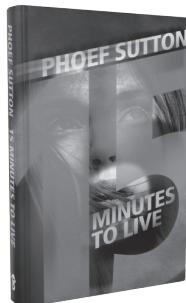

Nob Brown is a divorced, disillusioned thirty-something ex-cop turned bottom-feeding tabloid writer. His best friend and occasional lover, Gloria Lopes, is an LAPD detective who needs an Excel spreadsheet to chart her sex life. When Gloria slips Nob the confidential file on the unsolved twenty-year-old murder of a legendary rock-and-roll goddess, Nob hopes to solve the crime and propel himself out of the tabloids and into a lucrative book deal. But he pokes into the wrong holes and unearths rotting secrets that give rise to fresh corpses. As the cold case comes to a fast boil, Nob is forced to battle for his own survival.
